- Associate: Vendor \$125 per year
- Associate: Individual \$30 per year

Dear Chamber Member,

We are aware of the slow economic times and as we ask for your yearly renewal, we feel that a healthy Chamber of Commerce is more important than ever for our business community. The Cascade Chamber of Commerce is working harder than ever to reestablish the annual events and fundraisers that have been so important over the years. In 2008, the 4<sup>th</sup> of July Thunder Mountain Days were in danger of not taking place due to lack of funds, but with help from all of the current members, the events took place. In hopes of not being in the same situation again, the annual fall dinner and dessert auction fundraiser was reignited after not taking place for a number of years. The event was a huge success, raising over \$4000. The Chamber's Winter Jamboree Fundraiser has also fallen through the cracks over the past few years, but will again take place on President's Day Weekend, February 14<sup>th</sup> and 15<sup>th</sup> with a snowmobile fun run and auction on Saturday and snowmobile drag races on Sunday. We are expecting a large number of people in the area for the events and hope to raise more funds to put toward the 2009 Thunder Mountain Days and to bring revenues into the community. We are working to regain your faith and to hold true to our mission statement, which we all need in times like these:

**“The mission of the Cascade Chamber of Commerce is: to promote a vibrant business climate in the Cascade area; to serve our members, the community and visitors; and to foster a cohesive working relationship among political, educational and civic organizations locally and regionally.”**

The Cascade Chamber of Commerce thanks you for your continued support and we welcome and look forward to your ideas, comments, and participation during the upcoming year.
