Treasurers Report

We raised \$5221 from the Hog Wild Dinner. We got \$1,000 donated from Midas Gold, which will cover a lot of our out of pocket expenses.

Julie

Calls have slowed down, but are quality calls. Most asking about what other events are going on. Julie checked all the snowflakes and lights that will be hung up downtown. The SWITA annual registration is \$60 normally. They will discount it to \$50 for us if we sign up to be members. The annual membership goes until next September 2020. We would get a link on their website to our Chamber website and one picture. We would also be able to view all stats for how many people visited our page from their page.

Larry motions to approve becoming a member. Scotty seconds. All in favor.

If you have any upcoming events, please submit them to the Chamber at least 30 days prior to event. We also need a calendar with our annual or reoccurring events on it.

New Chamber logo has been chosen and was developed by Peppershock. The slogan will be "Idaho's Year Round Playground" We would like to produce a new Cascade pamphlet that will be handed out everywhere. We could use grant money to develop it.

We would like to offer a scholarship to one senior at Cascade High for college. We need to raise \$500-\$1000. It would go directly to the school they will be attending.

Winter Jamboree and Fun Run will be over Presidents Day weekend. The snowmobile club will put on the ride if Chamber organizes the dinner again.

We need to put Christmas decorations up around Main Street the first week of November. Lights, snowflakes and banners. Please contact the Chamber office if you would like to help out. Time and Date, TBD.
