

December, 2023

Dear Local Business Owners, Organizations, Community Members:

We deeply value each of our local businesses and organizations and are looking forward to strengthening our resources to better assist our thriving community in the coming year. We plan to maintain events and efforts of previous years while continuing to build our presence in the community.

As a member of the Cascade Chamber, each business will be spotlighted for two weeks on the Cascade Chamber Twitter, Instagram, Facebook and Website, with a short blog about the business and services offered. This will be a great addition to overall advertising efforts!

As we embark on new opportunities and develop a more substantial Chamber, we want to make sure we provide membership benefits that truly support our businesses and organization's needs. Attached, you will find the **2024 Business Needs Survey**. We would greatly appreciate your feedback. **Please return the survey by January 31, 2024** so we can start to implement requests and work to provide a framework for success.

The Cascade Chamber of Commerce Visitor Center continues to operate at 101 South Main Street, on the north side of the Umpqua Bank building. Central access from downtown will assist visitors in finding information and will act as another avenue for businesses and organizations to share important information to community members and visitors. We are looking forward to developing this location into a resource and information hub for Cascade! Membership Fees fund part time staff in the Chamber office to provide much needed support and communication for our businesses and organizations.

Attached, you will find the **2024 Membership Application**. Please return application and **remit dues via Check payable to "Cascade Chamber of Commerce"** as soon as possible. We look forward to working together and value your feedback!

Cascade Chamber of Commerce Board
